YOUNG LEADERSHIP ASSOCIATES OF THE AMERICAN SOCIETY FOR YAD VASHEM

ANNUAL WINTER GALA

Proceeds from this event will benefit education programs sponsored by the American Society for Yad Vashem Young Leadership Associates. Holocaust education programs provide a context for exploring the dangers of remaining silent and indifferent in the face of the oppression of others. Funding for Holocaust education in public schools enables us to help protect future generations from the perils of discrimination and hatred.

Since 1997, the American Society for Yad Vashem's Young Leadership Associates have been raising funds to educate teachers about how to successfully communicate the lessons of the Holocaust to their students. With your help, the Young Leadership Associates will have the resources needed to continue our work in furthering Holocaust education. Together we are committed to broadening Holocaust Remembrance for future generations.
